What do I think?

Life is an illusion, a dream. I am just trying to make it a beautiful one.

Exposure to fields like Ideation to Technology and Arts to Ancient Cultures gave me a quite interesting viewpoint to the world. I love to see technology from ideas perspective.
For me, building ideas, and working module wise is what matters the most.

Extra-Curricular Achievements

- Invited for Commonwealth Chess Championship 2012, South Africa.
- Secured 3rd Position in Inter College Robotics competition organized by University of Delhi, CIC.
- Most viewed Writer on Quora for University of Delhi, and Cluster Innovation Centre
